Images of Daviess County History

A new pictorial book from the Daviess County Historical Society and M.T. Publishing Company.

The Daviess County Historical Society is proud to announce that we have formed a partnership with the Evansville, IN, based M.T. Publishing to produce a new pictorial history of Daviess County as part of our ongoing mission to preserve and promote the history of our community. Bringing together photographs from our own collection as well as those donated by people from the community like you, this book will collect an unprecedented number of historical images into one volume. (Instructions on submitting your photographs are included with this insert.) Our goal with this project is to create a package of Daviess County history that any family can bring into its living room and enjoy for generations.

We are offering you a chance to purchase a pre-sale copy of this book for $37.50†, or $5.00 off from the shelf price of the book when it is released. As a non-profit with a limited budget, we rely on pre-order sales to determine the size and number of copies of the book we can publish. Therefore it is beneficial to everyone for you to take advantage of this pre-sale offer. This book will be a 9 x 12 inch, library-bound, coffee-table style book with a full-color dust jacket and at least 96 pages, offering superior photo reproduction. If you'd like to see a sample of M.T. Publishing's work, you can stop by the Daviess County Museum in downtown Washington or visit their website at www.mtpublishing.com.
